

Frontline Counter |

Step 6: Set the top using the holes provided at the top of the side panels.

Step 3: Swing one side panel out slightly in order to attach the door to both side panels (velcro connection).

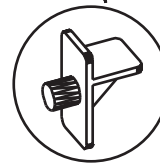

Step 5: If a wing counter(s) were purchased, attach it/them to the main counter now using the 2.25" screws (part # NP543P).

Wing assembly: Attach wing counter leg to wing counter top using the 1.25" screws (part #NP543N).

Step 2: Connect 2nd side panel to front panel (velcro connection).
Note: If a door panel and/or a shelf were purchased, continue with step #3; otherwise skip to #5.

Step 4: Insert shelf pins in the side panels and set the shelf.

Step 1: Connect front panel to side panel (velcro connection).
